

The middle school student council will be running a new campaign this year. We would like to reach out and help those less fortunate than us. We will be partnering with **Long Island Coalition for the Homeless**, "**Backpack Pirates**" event. Student council is collecting new or **very gently** used backpacks. If you would like to help and don't have any backpacks, we are also collecting \$5.00 to be used toward the purchase of one. Student council will be buying school supplies as well as new backpacks that will be distributed to the 5,000 homeless and at-risk children on Long Island.

This campaign is running **now through May 9th**.

Please join the Henry Viscardi Middle School Student Council help improve the lives of young Long Islanders who are homeless.

Donations could be dropped off at **Mrs. Sigurdsson's or Mrs. Brandt's room in the old library.**
