

August 7, 2020

Dear Members of the Henry Viscardi School Community,

As you may be aware, Governor Cuomo announced today that NYS schools have been authorized to reopen for in-person instruction in September.

As a reminder, on July 31, we submitted our reopening plan to the state, communicated our plan to all stakeholders, and posted our plan to the Henry Viscardi School website. We appreciate the feedback we have received. Please continue to submit your questions or suggestions to the reopening committee at reopeningcommittee@viscardicenter.org.

Informational sessions with the HVS Administration, to review our school's reopening plan as well as answer questions that you may have, will take place on Monday August 17 at 6:00 pm and Tuesday August 18 at 12:00 pm. You will receive information on how to join by phone next week.

Please attempt to submit your questions to the reopening committee prior to these meetings. This will be helpful in leading our discussion during our upcoming informational sessions.

We look forward to continuing our dialogue and working with you to safely navigate the welcoming back of our staff and students.

Sincerely,

Angelo Zegarelli
Head of School
