Dear Henry Viscardi School Community:

Today, the Henry Viscardi School was notified that a staff has tested positive for COVID-19. The staff member was last in school on Monday, February 8.

The Nassau County Department of Health was immediately notified to initiate a contact tracing investigation. Under the current circumstances there was limited exposure to anyone in the school, and the school's administration already informed those who are identified as being a close contact. Official quarantine orders will be issued by the DOH in the ensuing days.

Enjoy the break with your families!

Sincerely,

Angelo Zegarelli
Head of School
